LOT 7305 - GE Portable Wildcat Record Player - Needs work

Description

GE Portable Wildcat Record Player - Needs work

Unit turns on, runs, will drop a record, tone arm is inconsistent and doesn't play to the end of the record. Left speaker is not working, don't know if it's a loose wire or bad switch. Player will play 45's, 33 1/3 or 78's. 45 adapter is included.

Quantity: 1
